Dear Supporters:

It was very thoughtful of the children to put together 38 Birthday boxes. These boxes will provide a wonderful treat to individual clients in the weeks to come.

There are many benefits that come from assembling Birthday boxes such as:

- creating team spirit
- increasing the spirit of generosity
- increasing awareness of the needs of others
- putting a smile on the face of someone celebrating a birthday

On behalf of the volunteers, staff and especially the clients, of the Calgary Inter-Faith Food Bank Society, please accept our sincere thanks and appreciation for your thoughtfulness.

Sincerely,

Thank you for your support!

Julie Brewster
