

FELLOWSHIP ACTIVITIES LEAD

Fellowship and Caring is looking for a person to coordinate the fellowship side of the committee. If you like to host social gatherings, then this is the position for you! You can make it as interesting and versatile as you like. After 2 years of not getting together the occasional lunch or picnic would be like a breath of fresh air. Or maybe a games night? An evening painting with Bob Ross? Anything fun goes!

In the past we have had couples doing the job, once we had 2 couples. Any interested male or female, please contact Sue Spratt 493-242-7156 or susanspratt27@gmail.com.
